## **Senior Care Centers of America Acquires Riverside Adult Day Center**

TREVOSE, PA – June 1, 2009 – Senior Care Centers of America, the second largest operator of adult day health centers in the United States, announced today the acquisition of the Riverside Adult Day Center located at 220 South River Street, Plains, Pennsylvania.

Consistent with its branding process, the name of the newly acquired center has been changed to **Senior Care of Plains**. The acquisition of this center allows Senior Care to expand its presence into Northeastern Pennsylvania, which will further complements its network of Pennsylvania Centers in Delaware, Montgomery and Philadelphia counties, along with its network of adult day centers throughout New Jersey.

“The Riverside Adult Day Center and its staff have an excellent reputation for providing high quality care and services to adults in need,” said Jim Donnelly, President and CEO for Senior Care. “We are committed to ensuring a smooth transition so all clients will continue to receive the highest level of care they have come to expect and deserve.

One of the faster growing options in the health care industry, adult day health centers provide a structured daytime program of health and social services and activities in a safe, caring environment, enabling elderly and disabled clients to live at home and remain in their communities.

### **About Senior Care Centers of America**

Since its founding in 1988, Senior Care has developed a growing network of more than 20 adult day health centers located in four states (New Jersey, Pennsylvania, Connecticut and Mississippi). It is currently the second largest provider of adult day health services in the country based on the number of centers owned and operated. The Company is the leading independent provider in its core markets. Each of its adult day health centers enables frail, elderly or disabled adults to live at home and remain independent in their communities while receiving health care and supervision during the day, as well as provide relief and respite for the caregivers.
